LAWN PARTY

The ladies of the Baptist church will entertain the ladies of all the other churches at a lawn party at the home of Mrs. L. A. Cross at the high school building Wednesday afternoon. The orchestra is requested to appear at 2:30 and the program will start at 3:00 o'clock. A most interesting feature of the program will be a "Domestic Orchestra" led by Madam Allyn Banks, a famous orchestra leader who has studied many years in Europe. The orchestra is composed of the leading stars of the city, many of them soloists of note. You cannot afford to miss this musical treat. Contest games and interesting stunts will complete the program. Ladies of all church societies invited.

RAILROAD NOTES

RAILROAD NOTES

Machinist W. A. McKune and family returned Sunday from a trip east. They visited Kansas City, Chicago and Grand Rapids, Mich., and report a very enjoyable time.

Fireman C. F. Johnson is visiting in Omaha.

Mrs. J. Bogan, wife of Engineer Bogan, is making a short visit in Deadwood.

Machinist Ben Mullane will spend

a few days visiting friends in Crawford.

The Alliance car department won the ball game which was played against the shop team yesterday, the score standing 10 to 7.

The Bridge and Building department began operations the last of the week for the building of the large new 100-ft. turntable. The table will be built in sections so as not to seriously interfere with getting engines in and out of the house during the period of building, which is expected to take about two months.

This is but one of the improvements which are to be made at the Alliance terminals. Repairs and improvements are also being made to the large cinder pit. It is also expected that work will commence within the next few days on the new office building for master mechanic's force.

This building will be located just west of the viaduct on the south side of the tracks, a little north of its present location. The present master mechanic office will be used for offices for the car foreman, road foreman and travelling engineer, whose offices are at present situated in the round house office building. The round house office will then be better equipped for doing the work there and will have much more room, which is badly needed.

Machinist Apprentice Fred Johnson is carrying a black eye as the result of a wrench slipping from his hand while at work Saturday.

Machinist Apprentice William Rehder returned the last of the week from a three weeks visit to Kansas City.

Blacksmith Louis Hansen is spending a few days in Denver this week.

Fireman Willis and wife, spent Sunday in Hot Springs.

Mrs. P. Klindworth was called to Grand Island Monday on account of news of the death of a relative.

Mrs. J. H. Klassin went to Ardmore last Saturday for a short visit with relatives at that place.

Several depot men were in Hot Springs to spend Sunday. "Scotty", Timekeeper Duke, and Ticket Agent Reynolds were among them.

Miss Frances Burns, daughter of Loco-Carpenter Burns left Monday for a few days visit with relatives at Thedford. She also expects to attend the wedding of a cousin while there.

Engineer and Mrs. King Robinson are planning a trip to Milo, Mo., soon.

Mrs. J. A. Trefney is spending a

few days with friends at Bayard.

Miss Janet Grassman will leave in a few days for a short trip to Deadwood.

Bolter Maker O. N. Nicholls resigned the last of the week.

Machinist James Deltz expects to take a few days off and visit friends in Lincoln.

Fireman G. E. Anderson has gone to Bridgeport to spend a few days.

Fearing Rats

Mrs. Tepper, Plainfield, N. J., says, "Rats were so bad in our cellar the servant girl wouldn't go there. Bought some RAT-SNAP and it cleaned all the rats out." RAT-SNAP destroys rats and mice. Absolutely prevents odors. Comes in cake form, no mixing. Cats or dogs won't touch.
